

# A/C Service Seminar with BPCA Dinner Review Forum & NATE Testing

**Training Seminar:** ▶ Monday, May 19, 2008 ▶ 8:30 AM - 5:30 PM  
**Review Forum:** ▶ Monday, May 19, 2008 ▶ 6:00 PM - 9:00 PM  
**Testing Session:** ▶ Tuesday, May 20, 2008 ▶ 8:00 AM - 12:00 PM  
**Event Location:** Hyatt Summerfield Suites White Plains (914-251-9700)  
 101 Corporate Park Drive, White Plains, New York 10604  
**Registration Fee:** \$550.00 with a 50% incentive your net cost is only **\$225.00**  
 after reimbursement from NYSERDA.

**How it works:** The day of the event, you will receive a form to be filled out for NYSERDA. You will need your social security number or federal I.D. #, depending upon business structure. These forms are collected and then sent to NYSERDA for review and processing of the 50% Registration Fee reimbursement. You must be from an eligible utility service territory participating in the SBC to receive this reimbursement.

**What's included for this attractive price:**

- ▶ Air conditioning service training to cover fundamentals of air conditioning, refrigerant safety, refrigerant cycle, system components, evacuation, charging, superheat & sub-cooling, equipment installation start up & system performance measurements, diagnostics, maintenance, electrical & mechanical troubleshooting, design considerations and codes & standards.
- ▶ NYSERDA program presentation during lunch & dinner
- ▶ Dinner review forum where a popular game will be used to help review a variety of HVAC topics & questions in preparation for the test session.
- ▶ NATE testing session where you can take up to two NATE exams, a core exam and specialty exam or any two specialty exams.
- ▶ Program is approved for 10.0 continuing education hours through NATE & BPI
- ▶ Lunch & dinner plus coffee breaks
- ▶ Opportunity to enter the NATE Bowl for your chance to win a trip to Super Bowl XLIII in Tampa, Florida in February 2009 (see [www.natex.org](http://www.natex.org) for complete details)

**Event supported by:**

**DISCLAIMER:** A goal of this seminar is to help experienced technicians sharpen their knowledge and skills prior to attempting the NATE certification exam. Those who do not have practical field experience and those who have not prepared for testing should be advised that merely attending this training and then attempting the NATE examination is unlikely to produce the positive results you are seeking. All experience levels are welcome to attend and will certainly learn. No shows please be advised you will not receive a refund. Substitutions will be allowed.
